The Old Testament "Douay" translation of the Latin The Rheims New Testament had, however, been.

The Bible (Douai-Rheims version) (work) | The Online Books Page

This is the A.D. Edition., Douay Rheims., Printed A.D. It has been Published with the Approbation & Imprimatur: Guillelmus Estius.

The Douay–Rheims Bible is a translation of the Bible from the Latin Vulgate. The New Testament appeared at Rheims in 1582; the Old Testament at Douai in 1609.

The Douai–Rheims Bible is based on the Rheims New Testament, first published in 1582, and the Douai Old Testament, first published in 1609 and 1610; both in Latin.

Consequently, an edition of the New Testament was prepared and released in 1582 at Rheims, France, and an edition of the Old Testament was prepared and released in 1609 and 1610.

English-language translations of the Bible. Challoner not only addressed the odd prose and much of the Latinisms, but produced a version which, while still called the Douay–Rheims, was little like it, notably removing most of the lengthy annotations and marginal notes of the original translators, the lectionary table of gospel and epistle readings for the Mass, and most notably the apocryphal books all of which save Psalm had been included in the original. These three apocrypha are omitted entirely in the Challoner revision.

Gardiner indeed had himself applied these principles into produce a heavily revised version. The first volume, covering Genesis through Job was published in 1752; the second, covering Psalms to 2 Machabees plus the apocrypha of the Vulgate was published in 1753. In October, Gregory Martin began the work of preparing an English translation of the Bible for Catholic readers, the first such translation into Modern English. He issued a further version of the New Testament in 1754 which differed in about 2, readings from the edition, and which remained the base text for further editions of the bible in Challoner's lifetime.

Peter the Apostle First Epistle of St. In Ward Allen in collaboration with Edward the Old Testament was published at Douay in two parts and by Laurence Kellam through the efforts of Dr. Sign In Sign Up.
