Kanaka Creek Cliff Falls trail, Maple Ridge | Vancouver Trails

Cliff Falls in Kanaka Creek Regional Park, Maple Ridge, is a great place for a weekend outing with the family. The park is full of peaceful.

A mile round-trip hike leads you over creek crossings and rock outcrops and past miniature waterfalls to the foot Raven Cliff Falls.

The highlight of this park is the cliff falls formed from sandstone. Over many years, running water has carved a deep canyon and interesting rock.
