I also want to thank Jim Allen and the sponsoring organizations for extending the invitation to speak, and to all of you for participating in this important discussion. It could be said that Roosevelt's New Deal helped restore confidence to American companies and citizens. It could be said that Roosevelt's New Deal helped restore confidence to America. The reforms stop short of an outright ban on the conflict-of-interest model in which issuers pay for their own credit ratings. To address this problem, Section of the Dodd-Frank Act mandated that the Commission adopt regulations requiring an issuer of an asset-backed security to disclose for each tranche or class of security information regarding the assets backing that security, including asset-level or loan level data, if such data is necessary for investors to

independently perform due diligence.

Given the depth of the financial crisis, it took a massive response by your government.

It is my hope that the new crop of policymakers will simply remember the people who put them there.
