Over the past fifteen years, the policy and academic literature on peacekeeping

The disciplinary sanctions and any other judicial actions remain the responsibility of the national jurisdiction of the individual involved. Don't have an account?

From Abolitionism to Peacekeeping Ashgate, The values, priorities and interests of local women, not of the UN, should shape policies that target their lives. The UN policymakers should shift from design and implementation of a blueprint for prevention of SEA and develop specific institutional interventions that would recognise local women and peacekeepers as bearers of human rights.
