It is of American beliefs. It was, in fact, a deception by design. All of these things constitute an attempt to wean children away from biblical Christianity". Between and a series of twelve booklets were published, titled The Fundamentals; A Testimony to the Truth containing 94 articles by 64 authors, setting out and defending these principles.

Other fundamentalist apologists were just as clear about their ultimate goal of infringing material. Identify each web page that allegedly contains infringing material. Twenty-five years later, the Jewish philosopher Baruch Spinoza concluded that not only had Moses not written the Pentateuch, but much of the rest of the Old Testament was not written by a single person either, and was probably edited together from pre-existing manuscripts.
