This involves its coming to be, the changes it undergoes within its environment, and its eventual destruction. Although most of the discussion concerns Judaism and the Hebrew Bible Old Testament Spinoza also briefly indicates that Christian ceremonial law is also historically determined and therefore not binding on the modern believer.

Not by chance were the philosophical works of both Descartes and Spinoza developed. It was out of this experimentation that the idea arose for a fully geometric presentation of his thought. One year earlier the political leaders of the Netherlands, Johan De Witt and his brother Cornelius, who had been accused of conspiring against the young prince of Orange, William III had been torn apart by an angry mob. Little is known about Spinoza's activities in the years immediately following his excommunication. The Philosophy of Baruch Spinoza. Spinoza expresses this by saying that each mode has an innate striving conatus to persevere in. In opposition to what he saw as a tendency on the part of previous philosophers to treat humans as exceptions to the natural order, Spinoza proposes to treat them as subject to the same laws and causal determinants as everything .
