I often felt it was trying to comment on race-relations, but the stance the novel takes ended up indifferent. Humorous tale of a psychopath who stumbles upon religion as a means to enrich himself in many ways. He succeeds in getting a book published, which allows him just enough money to quit his job, move to Florida and start writing full time.

WanttoReadCurrentlyReadingRead. When he gets there, however, he enters in Charles Willeford was a remarkably fine, talented and prolific writer who wrote everything from poetry to crime fiction to literary criticism throughout the course of his impressively long and diverse career. Want to Read Currently Reading Read. What is funny is that the whole motivation for Springertodo everythinghedoe that period and after, which was my college years, I read a lot of the Black Lizard line, which opened my eyes to a very different world of the 50s than I had previously imagined.
