Among the timber-framed structures which lined its maze of arteries, inns, taverns and alehouses were ubiquitous; a multitude of drinking houses was a characteristic feature of urban communities throughout the continent, while in a port and occasional military base like Southampton provision was further enhanced by the presence of large numbers of itinerant soldiers and mariners. How do we explain this? Basingstoke, pp. Reichsversammlungen – [hereafter DRA. Few cities were able to cope, especially when the sessions became longer, and so the number of cities visited was progressively reduced from 13 in the second half of the fifteenth century to nine in the first half of the sixteenth until it was only four in the later sixteenth century, and one, Regensburg, after In Britain it was not just that the government after did not interfere in the head published British Clubs and Societies – Political Space in Pre-industrial Europe 90 hand, the widespread reading societies in Germany do not seem to have discussed political books until the late s when more radical activity surfaces.
