The final line directs our attention to "The strength of the mother. Rather, the narrator reflects and laments on missed chances and opportunities never taken to reach out and connect with another person. Her feminine viewpoint is quite insightful to the male viewpoint, understanding what most women can't about the male psyche, even experienced women. Mar04, Andrea Judy rated it it was amazing. Don't bother re You've walked those streets a thousand times and still you end up. Laux doesn't write poems that are obscure, poems that intimidate readers. She's one of the poets who is keeping alive the brave art of looking, who insists on the humanizing fact of the mortal body.

What is it about his hands and your hands, is it the absence of certainty? The reasons why individuals submitted the poems make a very interesting reading. I don't know what you think you're doing, sweeping the ground.
