Doctors, lawyers, management consultants, financial planners, consulting engineers, an Salacuse presents a seven-point, comprehensive system to guide all professionals, from lawyers and consulting engineers to management consultants and financial planners, in the process of wisely and effectively advising their clients. Additional Details Number of Volumes. Page 8 Share Cite.

Other appropriate mentors could include other students, more-advanced pos. If you do have a close friendship with a student, special restrictions or self-imposed behavior changes might be called. Other topics covered in the guide include career planning, time management, writing development, and responsible scientific conduct. Drawing on examples and cases from virtually every profession, Salacuse shows how to apply these seven principles in a wide variety of advising situations. A student who is doing well might require only "check-ins" or brief meetings. will also increase your accessibility to students. A good mentor is approachable and available.
