It was nice to see the two peripheral characters—the vampire leader of Paris and Levet takes on his mother, the gargoyle leader, and makes her see. If you have read The Guardians of Eternity series by Alexandra Ivy you will have fallen in love with the mischievous, tormenting but every loving gargoyle named Levet and if you haven't do yourself a favour and add it to your TBR list this series is one of the best I have ever read and I highly recommend it to everyone In his effort to achieve his goal, Levet meets a nymph named Valla. Levet definitely appeals to the females. But it seemed like the story of Levet was about Valla and Elijah.
