I have an idea of why the murderer did it, but their
motivation and method are never discussed in the resolution.
Nov 11, jackie frye rated it liked it.

With so many moving parts I found it really hard to keep up with the entire cast.

I liked this mystery enough to read her other ones, which
shows that I really did like it. I love hearing what our
victim did to the murderer that led to a death. Highly
recommended for cozy mystery lovers, especially if you happen
to like Laura Child's Tearoom Mysteries.

I want to see the sleuths save somebody rather than needs saving. Still, the writing
was the end that left me truly irritated. The victim was a
supporter and helped her to open her business.
