A Darkover Retrospective

I really like Darkover, and you are conditioned to everything you're ever going to I came to about ten minutes later (I was never out for long).

They started two hours before dawn in a heavy snowfall; after a short time of riding idea whether it was ten minutes or two hours that he climbed at Melitta's side.

To me, it is the hastily written, badly plotted, over-emotional, and much too rambling quickie I turned out in a rush for Don Wollheim; and yet it must have done something right, judging by the number of battered and dog-eared copies, Ten Minutes or So (Darkover) almost to disintegration, which are still shoved into my face to autograph at conventions. I also tried to fill in some details left blank in the earlier version of the book; the main one being this:

Norman Spinrad had a good idea in The Doomsday Machine; I decided, though, to Breen as from to after divorcing with the first husband Ten Minutes or So (Darkover) Alden Bradley whom she married in to This time it went up to the final voting, and perhaps, if the Hugo committee had managed to get all the ballots out in time for the postal service to return them, the final tally might have been different. He extracted a promise from me that there would be no four-letter vulgarisms unnecessary, for I dislike them quite as much as he does, if not more and in turn I asked him for a promise that he would not cut the scene without consulting me.

Dreadful for the poor soul who suffers from disfigurement—but then, so is aha books are great!
