Also, the killer who's identity you can figure out within the first quarter of the book. It was exactly what I needed. Thanks for telling us about the problem. I devoured this book! The birch tree, over years old, is watered only with said water. I already know author Amanda Flower is a marvelous writer, but I was curious to see how she handled a cozy with a paranormal element. A magical bookstore, who doesn't like. Vi's plan was to go directly back to Chicago where she was going to the university but finding a dead car This was another book I've been wanting to read for awhile now because I really enjoy another series that this author writes.
