This can be especially challenging if the learner feels
dissatisfied, pays little attention and gets no gratification
from their learning experience. I haven't had even an average
year since I started learning and using the concepts to
organize my thoughts and activities. Faith rated it really
liked it Apr 02,

An educational leader with experience spanning from
traditional to online classrooms, she understands how to
support students in their mission to learn and achieve their
goals. The session content seems a bit more cut up.
