RetrievedSeptember21,fromhttp: So there is a question as to
how much time adults will be willing to spare for community
journalism, whatever form it takes. What I love about the book
is its emphasis on journalism as a practice and a process
rather than simply a product, since it is clear that working
on these publications is empowering to those who become
involved, changing the ways they think about themselves and
their communities.

Organizationalfactors,projectfeatures,storyframes,andcitizenengag
have the image of group publishing as being a really difficult
process. Land, inventor of instant photography Polaroidwho
believed every student should have a faculty mentor, doing
research projects at the knee of the master, as he once
described it.
