For the original text of the five proofs, see *quinque viae*. Zoroastrian iconoclasm which can be traced to the end of the Parthian period and the beginning of the Sassanid, eventually put an end to the use of all images of Ahura Mazda in worship. As with other attacks on Catholic imagery, this had the effect both of reducing Church support for the less central depictions, and strengthening it for the core ones.

Another view, advanced by Richard Dawkins is that the existence of God is an enigma.

What makes you think that 'theology' is a subject at all?

However some icons continued to be produced in Russia, as well as Greece, Romania and other Orthodox countries. Theological and social scientific essays that ask why there is not more Godly Love in this world and what might be done to change the situation.

If God is calling you to a life as a scientist it is likely that He has also given you a brain.

Choose a language for shopping. He said that if Jesus ascended literally and traveled at the speed of light, he hasn't yet gotten out of our galaxy.
