Publisher Synopsis I congratulate the authors for daring to use their careful quantitative work to express bold, provocative theses about Chinese society, past and present. These and other distinctive features of the Chinese demographic and social system, they argue, led to a different demographic transition in China from the one that took place in the West. In reality, James Lee and Wang Feng argue, there has been effective regulation. Also, infanticide is now to be referred to as 'post- James Z. Your request to send this item has been completed.
