Sassinak (Planet Pirates, #1) by Anne McCaffrey

Ryan said: Sassinak is a name that's been stuck in my brain forever as code for by Anne McCaffrey and Elizabeth Moon is the first book in the Planet Pirates.

Sassinak (The Planet Pirates: Book #1)

Editorial Reviews. From Publishers Weekly. The first in the Planet Pirates series, this science fiction yarn offers a vivid universe inhabited by cardboard citizens.

Sassinak: The Planet Pirates, Book 1 (Unabridged) by Anne McCaffrey, Elizabeth Moon on iTunes

Sassinak was 12 when the raiders came. Old enough to be used, young enough to be broken - or so they thought. But they reckoned without the girl's will forged.

Kings Of The North: On the other hand, I read this the same I read everything. The first two thirds to three quarters of the book was decent, if not masterful.

I can imagine her and Jane way rehashing gold battle stories and making veiled ed. I didn't really feel being immersed in the story with Sanninak as she was living through. For some reason, I keep it on the shelf, probably because it is one of those books I started reading at an early age and can't put away or toss. This book is really four semiconnected novelettes, possibly with alternate cardboard fluff with lazy plotting, an omniperfect protagonist, and chronic bouts of WTF. It can be difficult to remember that the characters are supposed to be the same people.
