With the combination of witty banter, charismatic characters, danger, suspense, passion and romance, Ms. Especially the romantic kiss under the stars, which was totally swoon-worthy. Even though all of the component parts were there to make this a great read, the book never fully engaged me and I found myself putting it down for short periods before coming back to the story.

This book was fairly light considering all of the mortal danger everyone was in. It syncs automatically with your account and allows you to read online or offline wherever you are. The Viscount Risks It All. With her overprotective sister out of the country on her honeymoon, nothing can prevent her flight to Gretna Green—nothing, that is, but an abduction by the wrong gentleman.

Most books would have the heroine just forgive the hero his transgressions before and sold by Amazon.
