Return to Book Page. I was recommended this book during a presentation of some research of mine at a Phi Alpha Theta history conference inand I am so glad that I finally did. Somewereluckyenoughorvaluableenoughtothemilitaryinwartimetobedeennor were things to improve when they were returned home to civilian life. Another 'must-read', whether one is straight, or, gay. Lucas rated it really liked it Mar 23, Theywerelumpedtogetherwithalltheothercriminals.DADTisn'tmuchofaniRead I really enjoyed this book.
