This one is my favorite of the League of Rogues Series Lauren Smith not only deliciously sets up the couple for the next installment of the League of Rogues series but she also lays the psychological groundwork for what the single friends - who are The Wicked Proposal their comrades - the men who they drank, gambled, and wenched with and are now settling down, marrying The Wicked Proposal starting families - are going. Can Cedric and Anne overcome these obstacles for a happily ever after? Also I am commenting using your Twitter account. Cedric has always been drawn to Anne and now find his chance to have her and also in hopes of opening up his world .
