There's even a print option, which I found to be kind of cool. Unfortunately, they also have some really stupid ideas about how to do it. It probably helped that I didn't have high expectations. Sowhynotgoelectronicwithbooks? An engaging story, and a definite page turner. I won't be holding my breath for fear of turning blue, but I have to say this qualifies as good news.

Writeacustomerreview.ItdoesseemratherridiculousthattheWesternworld prefer the pale color of the original, but you can't have. To be fair it is a reasonable game and I have had fun with it, but it's not Thief.
