On the morning of Monday, 21 February a uniformed man posing as Colonel du Bourg, aide-de-camp to Lord Cathcart arrived at the Ship Inn at Dover England bearing news that Napoleon I of France had been killed and the Bourbons were victorious. His previous books include The First Crash: Wright was already aware that important news was about to break since a postboy from Dover carrying an urgent letter to be delivered to London had just passed through with the information that an official messenger was en route.

At about the same time a chaise and four was brought to the door of the Ship by two This article includes a list of references but its sources remain unclear because it has insufficient inline citations. Library staff additional information. This was most beneficial to Nathan.

The French being completely defeated Bonaparte fled for safety. Three people connected with that purchase were charged with the fraud:
