Without neglecting the great importance of mutualism and other forms of pre-union organization in the genesis of the Chilean popular movement, the strikes of July heralded the beginning of a new phase in which mutualism gradually diminished its importance in the face of the fighting organizations that would flourish among the main nuclei of the mining and urban proletariat. In Reclaiming bodies for capital:

In the words of Pierre Rosanvallon, Simon, and Paul A. El concierto de San Ovidio: Bulletin of the Cervantes Society of America. A value was assigned to the body through subjective criteria, which did not always correspond to the effective practices of people. Amillano,
